"Yering Gorge Cottages & Nature Reserve"

Only 40 minutes from Melbourne CBD, Yering Gorge Cottages are ultra modern, self contained cottages with all the mod cons. Choose from 8 single bedroom or 4 two bedroom cottages.

All 12 of the cottages at Yering Gorge have spa baths, heated bathroom floors, wood fires and are luxurious and spacious. Each cottage has a stunning view of the Yarra Valley or the Yarra River through the floor to ceiling windows. The cottages are constructed out of Victorian plantation grown sugar gum posts, and with West Australian jarrah floors. These cottages are built to impress!

Yering Gorge cottages are adjacent to the private Yering Gorge Nature Reserve, which is 110 acres of natural river bushland on the banks of the Yarra River. There is also a 27 hole brand new private golf course immediately opposite our property which will be available for our guests to use.

At Yering Gorge there are many other activities available to our guests, including several walks in and around the nature reserve and along the river frontage. These walks range from a gentle 20 min stroll around the river bank to the "Waterfall", or a 1.5hr walk, for the more adventurous. Also fishing, bike riding , bird watching, are just some of the many things to do at Yering Gorge.

Wildlife is abundant throughout the gorge and cottage area. With well over 200 kangaroos grazing beside your cottage and animals such as echidnas, wombats, wild deer, koalas and possums, you will have nature at your doorstep. There is also a resident pair of wedge tail eagles and their offspring.

Yering Gorge Cottages & Nature Reserve is part of a 630 acre cattle and horse agistment farm. As the cottages are part of the farm, guests can take part in activities such as feeding the cattle or the horses.
